

Attached Annex No. A-XXXX/XX (P-XXXX/XX) to the Collaboration Agreement between [ENTITY] and Miguel Hernández University of Elche for Educational Cooperation Programs dated 23/06/21

Entidad

In Elche, on the date

The entity hereby declares responsibly that:

- Its area of activity is authorized by the State Government and the relevant regional and competency-based administration.
- It is not undergoing any employment regulation procedure (such as ERTE/ERE), except if this is related to a part of the entity not associated with the practice to be carried out.
- It ensures effective student supervision in accordance with the training program.
- The students will not replace any employees.
- It complies with hygiene and/or prevention measures for the student.

It will inform, train, and enforce safety and health measures to the students at the workplace, providing them with necessary personal protective equipment before they start, just as it does for its own staff.

On the part of the Entity, it will provide oversight:

Ms./Mr. [TUTOR'S NAME] with National Identity Document (DNI) number DNI_TUTOR, holding the position of TUTOR POSITION, can be contacted via email at mail_tutor@XXXX.XXX and by phone at XXXXXXX.

Training Program: This Annex is subscribed for the period from start_date to end_date with the following schedule: Irregular Schedule, totaling total_hours hours, at the workplace located at practice_location, and may be terminated within this period upon prior notice by either party. The student is entrusted with collaborating, under the supervision of professional tutor(s), in supporting the following tasks and developing the competencies listed below:
Tasks

Competencies associated with the curriculum plan:

- Competencies to be developed associated with the degree that the student is studying
- 1
- 2
- 3
- 4
- ...

Observations:

If you work for the entity and are concurrently undertaking an internship:

The entity and the student, in relation to clauses 8 and 9 of the agreement, declare that prior to the date of signing this document, they maintain an employment relationship, and that the completion of the detailed internship here is part of an independent training program separate from this employment relationship. Therefore, the internship does not constitute any commitment or extension of labor obligations for the entity, nor does it grant any rights to the worker under any of the conditions agreed herein. This observation only applies to this annex, with the agreement remaining unchanged unless expressly agreed otherwise.

CURRICULAR INTERNSHIP: The described internship is included within the student's academic curriculum, and therefore, no academic recognition beyond the associated course will be granted, subject to evaluation by the responsible instructor.

Social Security Regime: Individuals undertaking the internship here are considered assimilated to employees under the General Social Security Regime according to RDL 2/2023, unless the student is already covered under any Social Security regime, retired, or permanently disabled according to RDL 8/2023 (Article 80). The obligation of registration and payment of contributions will be assumed by the UMH.

For Miguel Hernández University, the tutor will be [tutor_universidad], from the [departamento_tutor_univ], whose phone number is [teléfono] and email is [mail_tutor_univ].

Student: [datos_estudiante] DNI: [dni_estudiante] Age: [edad_estudiante] Address: [domicilio_estudiante] Phone: [telf_estudiante] Email: [mail_estudiante]
Degree/Subject: [Titulación_estudiante] [Asignatura asociada]

The student expressly accepts that their in-person participation is voluntary and acknowledges that:

- Understands the conditions and regulations specific to the hosting entity regarding workplace safety and risk prevention.
- Will undergo the training provided by the entity on safety and occupational health.
- Will comply with and respect the operational, safety, and occupational health rules of the entity.

The parties declare that they are aware of and accept the conditions governing the program (available at <http://observatorio.umh.es/dyd>, see DYD-02). In any case, the student will submit a report to the academic tutor, maintain confidentiality of all information and data that come to their knowledge.
